Dear Mr. Brown,

Thank you for your letter of March 22, 1991, regarding environmental sensitivities. I apologize for the delay in responding.

The information provided in the letters and articles enclosed is most interesting and enlightening on this subject.

It is indeed a serious issue, and one that I feel also deserves the benefit of consideration by my colleague Dr. Rey Pagtakhan, Opposition Critic for National Health and Welfare. I have therefore taken the liberty of forwarding a copy of your letter to him.

Please be assured that my colleagues and I will continue to work towards increasing recognition of undiagnosed environmental sensitivities, and its appropriate treatment.

Thank you again for bringing this matter to my attention. If I can be of any assistance to you in the future, please do not hesitate to contact me.

Yours sincerely,

Beth Phinney, M.P.
